Search Tips & Tricks

- **Use the Tabs** - *Web, Image, News, and More*
- **Use Quotes** “ “
- **Use hyphen** to exclude words
- **Use a colon** to search specific sites- *Jewelery:Amazon.com*
- Find a page that links to another page – *link:nytimes.com*
- Gradually add search terms
- **Use words** that websites would use.
- **Use descriptive words.**
- Find a specific file - ** filetype:pdf*
- Money and Unit conversions - *miles to km*
- **Use important words** - *Chinese restaurants near me*
- **Use asterisk** * for wildcard search - *“Come * right now * me”*
- Find sights related to other sites - *related:amazon.com*
- **Do Math** – *8*5+5*
- Search for multiple words at once - *chocolate **OR** white chocolate*
- Use **‘nearby’** to find what’s local - *Pizza places nearby*
